This little kit should get you started. Good luck!

Let us know...

Once we know you'd like to become a Loyal buddy we can help you get started by providing you with a direct debit form to complete and return to us. This form is also available to download on our website at www.rmhbristol.com Make sure you fill out a Buddy Registration form so that we know who you are and can keep in touch. Once the direct debit has been set-up there is nothing more you have to do. We will update you on what your money is going towards and more importantly who your money is helping.

Oppportunity to give more (Gift Aid)...

If you are UK tax payer please remember to tick the Gift Aid box on the direct debit form. This allows us to claim the tax back off your donations- that's 25p added to every £1 you give-, £25 to every £100 and so on. It really is an incredible opportunity to further your generosity and only requires one simple tick! If you're making donations other than direct debits, please complete a Gift Aid form which is downloadable from our website or available from our office.

Your giving Can...

Over the period of 1 year your donation of;

£5 a month will buy 2 sets of duvets

£10 a month will buy a bed

£15 a month will pay for one months telecom bill

£25 a month will pay for one months electricity bill

In total, it costs roughly £22 per room per night to give a family a warm and comfortable place to stay in the Ronald McDonald House Bristol. Your donation goes some way towards covering that cost.

Acknowledgement...

When you set-up a direct-debit and become a Loyal buddy of Ronald McDonald House Bristol, we will thank you and send you a Certificate of Appreciation. We will also acknowledge you on our website and the next edition of the House Newsletter. When you reach a giving total of £500 will we say thank you for all your loyal support by giving you a plaque on our 'Tree of Life' in the entrance to the House. If your total reaches £3,000 you will then be honoured as a room sponsor and invited to your own dedication ceremony here at the House.

Long-term plans

Having Loyal buddies and receiving a regular source of income allows us to concentrate more on what we do and less on how we're going to raise the funds to do it. We can plan for the long term, and take care of more families who desperately need the accommodation and support we provide.
