

Some ideas to get you started...

Any ideas or events that you dream up, let us know and do not forget to ask for our help along the way. If you are putting on an event inform the press, shout about what you are doing and why it is so important that we gather more support. Don't forget to send us some pictures so we can put them in our newsletter!

SPONSORED EVENTS

Go on, challenge yourself! You could do a sponsored walk, run a fancy dress football match, walk the Great Wall of China, shave your head, anything that you can think of that your friends and families will pay to see! Not only is this an amazing way to raise funds it also pushes you as a person and gives you life long memories. Contact us about Sky Dive opportunities.

BE THE HOST WITH THE MOST

Why not try putting on your own event. This could be a dinner, a disco or any social event. Get everyone to make a donation and then give the profit to us! You could also do a more public event, like a pub quiz or a bingo night.

AT WORK

A great way to raise funds is to take a collection box into your work place. Keep rallying the troops to drop in their spare change, it all adds up. It could even be a swear box or a late tin. You can also set your whole team a challenge to come to the house and do some DIY or give some attention to the garden.

RAFFLE

Set up a raffle. Ask local shops, restaurants and businesses for prizes and sell tickets behind bar in the local pub. If you need help getting prizes get in touch as we may be able to help.

NAME THAT BEAR

This works well in pubs. If you are setting up a raffle these work well alongside each other. We can provide the bear and the list of names.
