THANK YOU
FOR CHOOSING
TO FUNDRAISE
FOR RMHB

We can't thank you enough for choosing to support our house and families in need!

Illness doesn't discriminate and anyone can find themselves with a sick child. Having a child in hospital affects every aspect of your life and becomes your main priority. But that's where we step in to offer a supportive place to stay and alleviate some of the inevitable stress and financial strain. Families don't know how long they will need to stay in our house but it could be a matter of months or years and not just days or weeks. Unfortunately there is a great need for our services and we are always full, but thanks to you and your incredible efforts, we will be able to continue helping families through this turbulent time.

Whatever your reasons for supporting RMHB, you can rest assured that every penny you raise will help support a family in need.

We are here for you every step of the way along your fundraising journey and can't wait to see what you do!

ABOUT RONALD MCDONALD HOUSE BRISTOL

On this page you will find useful information to help you explain what it is we do while you're fundraising for us.

Supporting Local

Ronald McDonald House Bristol is an independent charity that provides free accommodation and support to families of critically ill children receiving care at the Bristol Royal Hospital for Children.

We have to raise all of our annual running costs, averaging at £270,000, through donations, fundraising events and the support of wonderful people like you!

Supporting Family

Family is at the heart of what we do. Our aim is to keep families together during this incredibly stressful time, giving them one less thing to worry about. The Bristol Royal Hospital for Children serves the entire South West meaning that many **families have to travel far and can't possibly commute daily from home. Often families arrive in Bristol in a hurry and have nothing but the clothes on their back.** We like to offer them the homely comforts they deserve like fresh towels, toiletries and a place to make a home cooked meal.

We like to think of our house as a 'home away from home', providing a space for families to seek respite after a stressful day.

Our house is located just a 5 minute walk away from the Bristol Royal Hospital for Children, allowing parents to be close to their children at all times. The house comprises of twenty-one ensuite bedrooms, three fully equipped kitchens, a dining room, laundry room, a large lounge and a beautifully landscaped garden.

"As parents we forget to prioritise our own basic needs of food, shelter and rest, to care for our babies at a detriment to ourselves and our family. This is when RMHB step in and provide the lifeline to parents to gain clarity and fight another day for their child!"

HOMEMADE FUNDRAISING GAMES

Whether in your school, office, village fete or anywhere else you can think of!
These fundraising games are quick, easy and cheap to make!

TARGET PRACTICE

Easy to make using a golf set and a card board box. Cut out a few holes in one side of the box (different number depending on the size of the box) and make them different sizes. Label one hole 'win' and the others 'lose'. Give people one go, If they get it in the 'win' hole, they win a prize!

Alternatively, if you don't have a golf set, you could use paper cups and a ball attached to a board and prop it up on a surface or against a wall. Again label the cups 'win' or 'lose' and give people three balls per go.

You could charge people £1 a go and they could win a bag of sweets or bar of chocolate.

LOLLIPOP ROULETTE

Colour the ends of lollipops various colours, we suggest a maximum of 3 different colours with a different number of each colour. Put the lollipops in a stand or bucket so they can't see the sticks. Get people to choose a lollipop out of the bucket, what colour stick they get decides how much they pay!

It is a good idea to include one lollipop colour as a free lollipop to entice people to play your game.

An example of prices could be: Free, 50p & £1.

THE JOKER

Lay out a deck of cards (or portion of one depending on how difficult you'd like to make it) face down, including one joker. Get people to pay for a go and if they find the joker, they win the prize!

You could have multiple prizes and re-shuffle the cards after each joker is found or one big prize.

Set the cost to reflect the prize but we suggest a minimum of 50p and nothing more than £2 (unless you have a really big prize).

PLANNING YOUR EVENT

Planning is crucial to the success of any event. Follow these basic steps to help you get started.

Type?

Choosing the type of event you would like to do quite often determines the size too. Do you want an intimate or a public event? Is there going to be a theme?

Logistics?

Deciding on a date, time and location of the event is very important but it is good to do your research. It is best to do this before you publicise your event.

Top Tip: Ensure it doesn't clash with a major sporting event (unless that's the intention!) or a national day such as Mother's Day

Budget?

Any event should have a strict budget to keep control of costs. It is a good idea to keep a running total of any expenditures and make sure you have money on the day for a float. If you are putting on a larger event, it is a good idea to have someone in charge of money on the day so you can focus on the running of the event.

Top Tip: If you are doing a donation based event with no fixed prices it is a good idea to ask for a couple of collection boxes. This keeps all the money together and gives you one less thing to worry about. This also works well for bake sales, coffee mornings, raffles and games but don't forget your float as some guests may need change.

Volunteers?

Do you need any extra help for your event? If so what would you like them to do? Look to your close family and friends for assistance.

Fundraising Plan?

How will this event help you to raise funds? Will it be a ticketed event or have a raffle? Or will you be selling something like a bake sale or coffee morning? Games are a great way to earn extra donations like guess the name, amount or weight.

Fundraising Materials?

We are here to help every step of the way and have a great variety of materials available to aid our wonderful fundraisers! Items including balloons, flags, t-shirts, information cards, collection boxes and sponsorship forms.

Promotion?

Invite all you friends and family to your event and promote it on social media. If you are doing an event in school or work, send around an email to your colleagues or ask if you can send a note home for parents. Posters for notice boards are also a great way to get the word out and many places within your community will allow you to display one. You can also browse the internet for local 'What's On' sites. Most of these will allow you to add your event free of charge and it is a great way to get your event out there.

Top Tip: Don't forget to make a Facebook event! It is a great easy way to keep your guests up to date. If you are planning a more intimate event don't forget to make the event private but if you are planning a larger scale event get your friends and family to add people they know too to get the word out.

HOW TO FUNDRAISE ONLINE

Using an online site to set up a personalised sponsorship page is a quick and easy way to keep track of your donations. It is by far the easiest way for people to donate without cash and takes out the stress of tracking down sponsorship after the event.

FUNDRAISE ONLINE VIA VIRGIN MONEY GIVING

Virgin Money Giving offers you a personalised experience with lots of useful tools to make your fundraising as successful as possible. Although it offers you the same experience as other platforms, they charge much smaller fees which means we receive more of your donation.

Setting up your account is easy.

1. Simply go to uk.virginmoneygiving.com and search for 'Ronald McDonald House Bristol'
2. Make sure you have selected the page for RMHBristol as we are independent to the large charity RMHC.
3. **Then click 'start fundraising' to set up your own page.**

Take the stress out of sponsorship

Online sponsorship sites send all funds raised directly to RMHB every month and reclaim Gift Aid automatically on your behalf.

Tell your story

Be sure to include a detailed story of why you are supporting RMHB to keep people engaged. People are also more likely to donate if they know a bit more about the charity. You can use facts from page 1 to inspire them to help. Photos and videos are also a great way to personalise your page.

Spread the word

Be sure to share your page link on social media as well as in any email correspondence. Keep people up to date with your progress through tweets and Facebook posts as well as updating your fundraising page.

Say thank you

Be sure to thank every one of your supporters for the difference they are making to families in need. You can either do this personally with a quick message to acknowledge their support or publicly with a tweet or status update.

"This place is essential through all the stress to give parents and siblings something resembling normality – this place is amazing!"

FUNDRAISING GUIDELINES

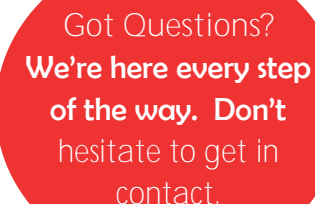

We want you to have fun with your fundraising but there are some things that you need to know with regards to the legality and safety of putting on an event.

Do I need a licence?

1. If you are holding a **music event** you (or the venue) will require to hold a licence.
2. If you are serving **alcohol** at your event you (or the venue) will require to hold a licence.
3. If you plan to hold a **collection in a public place** including a street or door-to-door collection you will need a licence or permit from your local authority or Metropolitan Police.
4. If you are holding a small **raffle** or draw on the day of your event you do not need a licence and can use cloakroom tickets for this. You must always make it clear who is running the raffle and tickets must all be sold for the same price. For the latest information and advice check: www.gamblingcommission.gov.uk

Tips for keeping it safe and legal

1. Always follow **food hygiene** standards. If you have outside catering you must ensure they have the relevant certification. For more information and advice check: food.gov.uk
2. You will need **consent** from a parent or guardian if you are taking photographs of children at your event.
3. If you are **writing to anyone about your event or producing publicity terms remember to include RMHB's registered charity number: 1091342**
4. We recommend that anyone undertaking events should take out appropriate **personal accident and public liability insurance** as we cannot accept responsibility for claims, of whatever nature, that may arise from an event outside our control.
5. Any large scale event involving the public should have a **risk assessment**. You should identify any possible hazards and assess the risk of this happening. You should also ensure you have adequate first aid coverage for the scale of your event. For more help and advice if you are thinking of holding a large scale event please check with your local council or get in touch.
