

BRISTOL

How many sweets in the jar?

How to play...

Fill a jar with sweets and put the answer in a secret envelope.

Have people guess for a fee and write their name and guess in a box. If you are doing this at a public event, it's a good idea to get a contact number too.

Once all the squares have been filled reveal the winner and they get to keep the sweets!

Good Luck & thank you for your support!
